

EGEBIANA

NO. 5 - JUNIO 1982

BIBLIOGRAFIA SOBRE EVALUACION DE COLECCIONES

Compilada por:

Saúl Sánchez Toro

1982

En este número EGEBIANA presenta la bibliografía selectiva Evaluación de Colecciones compilada por Saúl Sánchez Toro y que esperamos sea de interés para todos nuestros lectores, especialmente investigadores y estudiantes de Bibliotecología.

El señor Sánchez es egresado de la Escuela Graduada de Bibliotecología de la Universidad de Puerto Rico y en este momento se desempeña como Director de la Biblioteca de la Universidad Tecnológica de Pereira, en Colombia. Agradecemos a Saúl todo el interés que desde lejos siempre tiene por su Alma Mater y su cooperación y preocupación constante por el desarrollo de nuestra colección.

Esta Bibliografía conjuntamente con el trabajo publicado en el Cuaderno Bibliotecológico Núm. 16 de la Sociedad de Bibliotecarios de Puerto Rico: Técnicas para la Evaluación de Colecciones, de Milton Delgado Nuñez, será de valiosa ayuda para todo aquel que se interese en este aspecto de la Bibliotecología. El señor Delgado es egresado de nuestra Escuela de Bibliotecología y es oriundo de Costa Rica. Nos dice Milton en su trabajo que: "La evaluación de colecciones puede definirse como la actividad planeada, organizada y dirigida por un bibliotecario profesional o un comité de profesionales donde por lo menos debe participar un bibliotecario profesional, con el fin de comparar valores cuantitativos o cualitativos con un valor conocido y así obtener unos datos objetivos y fehacientes con relación a la colección evaluada, para futuros cambios, mejoras, justificaciones, etc."<sup>1</sup>

Exhortamos a nuestros estudiantes y profesionales en el campo bibliotecológico para que nos hagan llegar sus colaboraciones, de manera que EGEBIANA siga publicándose.

Prof. Vilma Rivera de Bayrón  
Directora - Biblioteca EGB
